The Best Venues

We use "The Parade on the Water" when ever it is available. It is a gorgeous venue, with stunning views of the inlet and easy free parking. Relax on the deck during the breaks and network with other SHREP's.

When The Parade is not available we head to our own training rooms at Training HQ at 6A/B Victoria Street, Bunbury.

We supply morning and afternoon tea as well as a delicious lunch each day.

Our head SHREP trainer is an ex-WorkSafe Inspector and our co trainers are still working in industry - so you can be sure that the training you get from us will be extensive and current.

SHREPS also conduct a practical workplace site inspection during the course.
