Certificate IV in  
**Work Health  
and Safety**

Combined Team Services

RTO Provider No: 50995

# Course Information

Enrolling in the Certificate IV in Work Health and Safety you will develop the knowledge and skills to apply Safety and Health legislation in the workplace.

This course teaches the individual relevant skills how to be a meaningful Safety Officer, to provide safety leadership, and have some responsibility for the output of others and also provide guidance to others. The training provides a good blend of practical and theory work to give the individual a hands-on approach to the job role.

## Course Details and Duration

Available online and face to face in Bunbury

12 months to complete all units (up to 36 months for a traineeship).

This qualification is Fee free to eligible existing workers.

**To access Fee Free funding students must attend classroom training in Bunbury.**

Dates of training delivery is available on our website.

CTS can adjust the training to suit the individuals need and their workplace.
