Certificate IV in **Work Health and Safety**

(via Traineeship Pathway) See BSB41419 for a
non traineeship qualification

Combined Team Services

RTO Provider No: 50995

Course Information

Enrolling in the Certificate IV in Work Health and Safety you will develop the knowledge and skills to apply Safety and Health legislation in the workplace.

This course teaches the individual relevant skills how to be a meaningful Safety Officer, to provide safety leadership, and have some responsibility for the output of others and also provide guidance to others. The training provides a good blend of practical and theory work to give the individual a hands-on approach to the job role.

Course Details and Duration

Available via a mixture of classroom and flexible learning or completely flexible.

In class workshops available.

24 months traineeship (full time worker)

Occupational Health & Safety Officer Level 4 funded training contracts available for new workers.

CTS can adjust the training to suit the individuals need and their workplace.

Methods of Delivery

Clusters: Groups of units clustered together.

Online: Use of the SafetyLine Institute as a base for knowledge and reading material.

Project Based: Formulated for candidates in the workplace under funded training arrangement.

RPL: Recognition of Prior Learning available.
