It's easy to enrol!

We do our very best for all our clients and always try to improve the employability of everyone we deal with. Before you enrol please read our student handbook and browse our site to find out more about the training and development solutions we offer. We want to make sure you choose the right course for you.

Once you have made your decision, or if you need help to decide; email, phone or complete an enquiry form and we will contact you to discuss your study options. If you want to register for one of our courses you can use our online booking form.

We will not enrol you in a Nationally Recognised Qualification without checking first that

- you meet the entry requirements
- you know the cost
- it is a qualification, skill set, unit of competence that is
- appropriate for you
- you are aware of what resources you will need to successfully
- participate
- you understand the amount of learning required and how you
- will be assessed
