Cost: \$250 pp plus travel if required.

Call or email us to discuss how we can deliver this training for your workplace. Minimum numbers are required as participants are expected to role play.

What happens when a fatality or serious injury occurs in the workplace?

In this highly interactive one day programs we take your employees on a journey from accident to judgement. Provide your employees with a new appreciation for the responsibilities, roles and attitudes of safety within an organisation.

Join CTS in helping "Superior Machinery" identify what caused the death of their trades assistant, how it could have been prevented and how you can avoid finding yourself in the same position.
